Camarena Mandarin (Chinese) Program

Discover the Fun of Learning Mandarin

Children have the amazing ability to learn a foreign language at a young age, the younger a child starts, the easier they master the tones and nuances of Mandarin. Elite Chinese School provides academic and activity-based Mandarin classes for children. Our curriculum enables children to learn Mandarin and Chinese culture in an interactive and engaging setting. They sing Chinese songs to enlarge their vocabulary, play immersion games or make handcrafts to recognize Chinese characters and much more.
